

Date	Course/Director	Time	Location
<b>Biomedical Innovation, ENRH-116</b> Course Director: Connie Hsia, M.D. and Caroline Park, M.D. Student Liaisons: Zain Hussain, Aidan Dulaney, Naasik Syed, Aparajith (Jeetu) Kannapiran <b>Enrollment Limit: Open</b>			
2-20-25	Course Introduction	12:00-1:00 PM	Students to be notified by Liaisons
3-06-25	Project Proposal Review	12:00-1:00 PM	Students to be notified by Liaisons
3-13-25	Work Day	12:00-1:00 PM	Students to be notified by Liaisons
3-20-25	Guest Lecture	12:00-1:00 PM	Students to be notified by Liaisons
3-27-25	Work Day	12:00-1:00 PM	Students to be notified by Liaisons
4-10-25	Project Status Report	12:00-1:00 PM	Students to be notified by Liaisons
4-17-25	Work Day	12:00-1:00 PM	Students to be notified by Liaisons
4-24-25	Guest Lecture	12:00-1:00 PM	Students to be notified by Liaisons
5-01-25	Work Day	12:00-1:00 PM	Students to be notified by Liaisons
5-08-25	Work Day	12:00-1:00 PM	Students to be notified by Liaisons

5-15-25	Work Day	12:00-1:00 PM	Students to be notified by Liaisons
5-22-25	Final Symposium	12:00-1:00 PM	Students to be notified by Liaisons
<p>This course is a continuation of the Biomedical Innovation Elective from the Fall 2023 semester. Students will continue working on their existing projects and develop a pitch presentations to be presented at a final symposium at the end of the semester.</p>
